ANNUAL ACA MARKETPLACE REQUIRED NOTIFICATION

OCTOBER 1, 2026

Dear Montana University System Benefit Plan Member:

The Patient Protection and Affordable Care Act (ACA), requires employers to provide certain notification to employees and retirees regarding the Health Insurance Marketplace (Marketplace).

It also requires employers to provide notice of the premium assistance subsidy under Medicaid and the Children's Health Insurance Program (CHIP), known as the Healthy Montana Kids Plan (HMK) in Montana.

This letter, which serves as the required notification of disclosure, is being sent to you prior to November 1, 2026, which is when the open enrollment period for the Marketplace commences. Marketplace enrollment begins on November 1, 2026 and ends on December 15, 2026.

Enclosed with this letter are two federal notices on the above disclosures.

There are two important things for employees to note with these notices:

You are receiving these notices because you have an employment relationship, or are a retiree, with the Montana University System (MUS). This is irrespective of your eligibility to receive benefits under the MUS Benefit Plan (MUS Plan).

The individual mandate for health insurance coverage has been in effect since January 1, 2014.

MUS Plan Coverage and the Marketplace

If you are eligible to receive coverage as an active employee under the MUS Plan, you receive a contribution from the employer toward the cost of coverage for yourself and any eligible dependents. Currently state law sets this amount at \$1,107 per month. Retirees do not receive an employer contribution.

The MUS Plan meets the federal requirements for "minimum value" and "affordability" under the Employer Shared Responsibility provisions of the ACA.

ANNUAL ACA MARKETPLACE REQUIRED NOTIFICATION (cont'd)

Since the MUS Plan meets these requirements, employees who choose to waive the employer coverage will not be able to receive the monthly employer contribution nor be eligible to receive subsidized coverage from the Marketplace. Employees considering waiving benefits and accessing Marketplace coverage may wish to consider the fiscal impacts carefully.

Employer CHIP notice

Two special HIPAA (Health Insurance Portability and Accountability Act) enrollment rights will allow employees, retirees, and/or their dependents experiencing one of two events to notify the MUS Plan and enroll in MUS Plan coverage midyear. Employees, retirees, and/or their dependents have 63 days from the date of the event to notify the MUS Plan and enroll in group coverage. Events are: (1) the employee, retiree, and/or their dependents lose eligibility under Medicaid or CHIP/HMK; or (2) the employee, retiree, and/or their dependents becomes eligible for a state premium assistance subsidy from Medicaid or CHIP/HMK that would help them pay the group health plan premiums.

The employee, retiree, and/or their dependents must request coverage in the MUS Plan within 63 days of being determined eligible for premium assistance.

Consult the enclosure captioned "Premium Assistance Under Medicaid and the Children's Health Insurance Program (CHIP)" for detailed information about this notice.
